

VARIOUS MOBILITY INITIATIVES, NONPROFIT DRIVING SCHOOL

Structure : ACEE (Mobility Initiative)

Nîmes

Occitanie

The Association for Communication, Exchange, and Employment is a Nîmes-based social integration organization founded in February 1994.

Mobility Initiatives

Provision of Cars (or License-Free Electric Scooters): The provision of cars is intended for individuals (youth or adults) receiving minimum social benefits who lack a means of transportation to get to work

Scooter Rental: Scooter rental is intended for individuals (youth or adults) receiving minimum

social benefits who lack a means of transportation to get to work, particularly those whose work schedules do not align with public transportation schedules

Provision of bicycles, electric-assist bicycles, and electric scooters

On-demand transportation: To arrange a ride, we must receive your request 48 hours before the trip. On-demand transportation is intended for individuals (youth or adults) receiving minimum social benefits who lack a means of transportation to get to work, for job interviews, employment appointments, group information sessions for training, and more...
