## COLLECTS AND REPURPOSES EQUIPMENT USED IN THE PERFORMING ARTS AND EVENTS IN THE PAYS DE LA LOIRE REGION

Structure : The Cultural Recycling Center

Montaigu-Vendée

Pays de la Loire

**COLLECTION:** This involves recovering equipment that is no longer in use by cultural organizations in the region to prevent it from ending up in the waste stream. Depending on the situation, this equipment is no longer useful to the organization, is stored away unused, is unused because it is obsolete, no longer works, or has been replaced by newer equipment.

We collect:

Scenery Furniture Props Technical Equipment Materials

After repair, the equipment can be rented or sold

We operate throughout the Pays de la Loire region to collect equipment from the performing arts and events sectors.

Whether you're a national theater or an emerging company, our collection services are tailored to your specific needs and logistical constraints
