Repair Café

Structure : REPAIR CAFE PIBRAC

Pibrac Occitanie

A Repair Café is *a gathering* of people who are determined not to throw away their belongings without first trying to repair them

Repairs are often simple and inexpensive to carry out. Instead of automatically buying new items, give your appliances a new lease on life.

The Pibrac Repair Café is one of the activities organized by the Pibraction Environnement association.

At the Repair Café in Pibrac, we repair coffee makers, CD players, TVs, sewing machines, computers, and more. We have the tools and some expertise (long live collective intelligence!), so let’s repair our household appliances together and give them a second life

In 2025–2026, we’ll meet at the multipurpose hall (6 bd des écoles in Pibrac) from 5:30 p.m. to 8:30 p.m. one Monday a month. (See the calendar)

The workshop is free and open to everyone, ages 7 to 120. No registration required.
